

Friends of Howick Primary School - Oct 21

Minutes

Attendees: Michael Earl, Zeena Bode, Thomas Murdoch, Caryn Miller, Natalie Robinson, Helen Williams, Hanna

Apologies: Beccy Long, Sandra, Kathleen Parsons, Glenda, Felicity

- Welcome
- Michael confirmed the Family Fun Night will be moved to 12th December
- Note/reminder that we need to cancel the DJ and check their availability for the disco
- The Family Fun Night is being branded as “Family Fun Festival” on the marketing etc
- Becky has been confirmed as happy to run the traffic light bins and an enviro stall
- Kathleen was happy to act as pool supervisor but we all agreed lots of volunteer help due to supervision requiring a high degree of awareness
- Discussion around the 2 bouncy castles and any age restrictions. Consensus is that the obstacle course would be limited to seniors/7 year olds with a bit of nuance if the child's parent was around for direct supervision
- A coffee cart has been arranged to attend
- A sensory event will be run out of the library
- Natalie happy to have some subcommittees to help with organization (running food etc)
 - A list of leads will be available before the next meeting on 30th Oct

Next Meeting

Agreed to next meet on **Thursday 30th October @ 6:30pm in the HPS Staff Room**
